Minutes 2015 – Accepted Rob Colson and ???

Ishido Sensei fund £4,425 donation £166 from kendo, £4,591.

No suggestions for use.

Ed Lief-Marshall to discuss squad funding in bu and NC meetings.

Reminder - Need jodo members to check their details and inform Grading Officer if wrong.

Chris Mansfield – Future plans, membership renewal process will require validation of details including grades etc. From 2017 onwards. Onus on individual to identify errors.

Lesley Drewe – Child Protection Officer role harder as many members' details inaccurate.

Al Colebourn – The validation Chris Mansfield mention is only contact details. Chris Mansfield – May include grade details in the future.

Dave Fanning – Reiterated need for people to do it proactively.

Lesley Drewe – A communication regarding this should be sent out to dojos/membership

Andy Watson – An email to all members reliant on the members' contact details being correct. Members should also their entry check on the EKF system (website).

Chris Mansfield – Can only view grade on EKF system, not full details.

Rob Colson – EKF often more accurate in his (dojo) experience – Chris Mansfield disagreed based on his experience.

Len Bean – People should be proactive and check themselves, not rely on others. People should attend to their own details and grading progress to help the BKA admins and officers etc.

Dave Fanning – will send a general email.

Arising from 2015 minutes – Suggestion for ways to promote jodo. Fay Goodman – Has organised exhibition events in the past. We should encourage dojos to do more events/charity events etc. Len Bean – Has tried leafleting, flyers etc. limited success. Can we

try TV/video? General discussion that this would be extremely expensive... Lesley Drewe – Concerns about people drawn to use of weapons in current climate. Anna Stone – Focus efforts on existing martial artists, ads in specialist martial arts magazines, shops, events etc.

Publicity officer should be consulted. Fay Goodman - Include in Kihaku.

AOB: No complaints. Lesley Drewe – Raised the issues of events shifting etc. *cf.* iaido minutes.
