

Events Officers report Jodoku AGM 2017

The events last year

Summer seminar 2016

Otake sensei was the leading teacher of the seminar which showed a good attendance of 37 over the three days. A very encouraging support to the event as 2014 had seen only 15 jodoka of which 6 were from abroad.

Darlington 2016

A growing event with an attendance of 32 compared to 26 in 2015. This is very encouraging and shows the development of Jodo in the North.

The event was organised with the help of Lee Mountain, Budokan dojo, with thanks.

Kangeiko 2017

The event was very well attended with 33 members present compared to 26 in 2016.

Held at Kenmukan dojo all trained and enjoyed home baked cakes Alain Bangard's fine cooking.

High grade seminar

With an expected smaller attendance the event was attended by 12 sandan and above.

Many thanks to Amanda Allen, Kenmukan dojo, in helping finding at short notice a new venue due to a double booking.

Spring seminar 2017

Another well attended seminar (29) although less than in 2016 (39).

A training dojo had to be found in a short amount of time due to an involuntary split of venues between the iai and jodo seminar.

West Midlands 2017

The attendance for this event remains good and constant with 18 members for this year.

Thanks to Patrick Breheny, Katsujinken dojo, for the help in organising the event.

The events for late 2017

The summer seminar organisation is being finalised.

There is a possibility in ordering packed lunches. Info to come out shortly.

Again, due to a split in the organisation, we have been unable to book accommodations on campus.

The Darlington seminar's dates are now confirmed and will take place at the usual venue on the weekend 11 and 12 November.
