BKA Jodo Kangeiko

Kindly hosted by Kenmukan Dojo

We are once again delighted to present this first training meeting of the year for Jodo. All are welcome. This session is to allow us all to work off any post-Xmas cobwebs. The idea of the Kangeiko is to have a good, hard day training without a particular seminar agenda. Seitei and Koryu will be undoubtedly trained in.

We would also love it if we can turn this into a "Kan-Cake-Ko", so if you would like to bring and share cake with us all then that would be delightful. A lunchtime chile or curry with tea and coffee will be provided compliments of Kenmukan.

Time: 9:30-17:00 Cost: £10
