

2017 Iaido Squad Training Session 3

09.00–16.00, 6th May 2017, Halesowen

Squad Training Sessions (STS) are open to all BKA Iaido-bu members regardless of squad aspirations, grade or indeed ability. Despite the daunting name they are intended to help all members have more opportunities to develop their Iaido. The STS will be led by the Squad Coach; assisted by the Squad Manager and other nominated officers and invited seniors to focus on notable technical weaknesses or specific themes to better equip those in attendance to do more effective Iaido. The STS are not seminars, so explanations will be short and to the point so that more repetitive practice can be achieved with specific and quick one-to-one feedback given when needed.

Selection

The STS will be used in conjunction with other events to select the Iaido squad members who will represent the British Kendo Association at the European Iaido Championships.
