

British Kendo Association
North East Jodo Seminar

Led by

Harry Jones sensei Renshi Rokudan

Hosted by Ojika dojo

30th September & 1st October

9am to 5pm

The British Kendo association are pleased to invite you to a weekend of Jodo in the north east of England on the Last weekend in September.

The event will be over two days and will consist of an Intensive Training (ZNKR Jodo practice) followed by a day of Shindo Muso Ryu Jodo. We feel this will be a great opportunity for both beginners and Jodoka of greater experience to come together and improve themselves while also helping to promote the growth of Jodo in the Northern part of the country.

The event will be held at:

Joseph Swan Academy - Saltwell Road South – Gateshead - Tyne and Wear - NE9 6LE

The venue is easily accessible via the A1 and is a 15-minute drive from Newcastle upon Tyne city centre. There are also some public transport links from the city centre that stop within an 8-minute walk of the venue. These are available via [Google maps](#).

It would be best to bring a small packed lunch for both days, however there are some shopping facilities nearby should they be needed.

The event is now available to book online Via the [BKA website](#)
