Intensive Training Session 04 March 2018

Dear Jodobu Members

We are delighted to invite you to this year's National Judo Championships. Please find below all the information necessary to make your entry. This year, the championships will be followed, the next day, by our first IT session of the year where feedback will be given on the previous day performances, followed by training. All are very welcome and you don't need to have attended the Nationals to attend the IT session so please just come for some training if you wish. We look forward to seeing you at this event.
