# London Driving: Congestion Tax & ULEZ

Hi All,

### The AGM 2019 venue is Walthamstow Academy Billet Road, London E17 5DP

This is in north-east London well outside the areas where drivers are charged

### (1) London Congestion Tax (See map below) 0700 - 1800 weekdays. £11.50

No charge 18:00-07:00 on weekdays or on weekends, public holidays or any days between Christmas Day and New Year's Day

# (2) Ultra Low Emission Zone tax. Operates 24/7/356. (See map below) £ 12.50

ULEZ: Check if your car will be charged here <u>https://tfl.gov.uk/modes/driving/check-your-vehicle-35896</u>

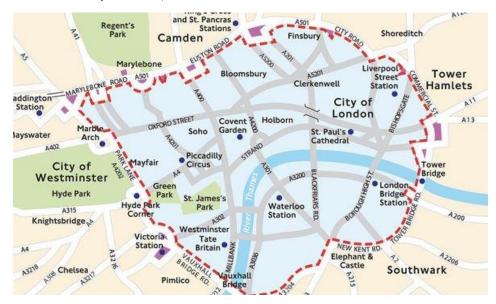

- <u>ULEZ</u>: covers all vehicles driven within the central London area
- <u>LEZ</u>: only covers larger vans, minibuses, lorries, buses and coaches as well as other specialist vehicles driven within most of Greater London

### How to pay the £ taxes - pay online.

Have a look here <a href="https://tfl.gov.uk/modes/driving/congestion-charge/paying-the-congestion-charge">https://tfl.gov.uk/modes/driving/congestion-charge/paying-the-congestion-charge</a> and here <a href="https://paylondoncharges.co.uk/">https://paylondoncharges.co.uk/</a>

## My advice is to bypass the £ zone - re-route your satnav if necessary.

HOWEVER, if you drive INTO the area en-route to the venue, you may be liable to pay (see days & times in operation).

# Charging times

- Congestion Charge: No charge 18:00-07:00 on weekdays or on weekends, public holidays or any days between Christmas Day and New Year's Day
- ULEZ and LEZ: Operate midnight to midnight, every day of the year

At present the Congestion Tax zone and ULEZ are the same, **BUT in 2021 the ULEZ will expand** to encompass the North Circular (A406) and South Circular (A205).
