

REPORT TO JODO BU - DRC CHAIR

It has been a difficult year for all dojo but so far as I am aware, there have been no issues between dojo and the BuEC.

I have done my utmost to support the Bu EC in producing Covid-related advice documents and complying with Government requirements for approval of contact /combat sports, so that Bu members would have the opportunity to train whenever this was practically possible. Sadly that has not been very often, and the Bu EC has effectively had no choice but to cancel events including the EJC.

I hope that we will be able to continue to practice in the dojo in the next few months, and that the Bu will be able to resume events soon.

I am not currently planning on standing for office again at this AGM.

Thank you for your support in the last 2 years.
