COVID-19 : ATTENDANCE CONDITIONS & ADVICE

For obvious reasons BKA Members' safety is our primary consideration as we return to training together. The pandemic is far from over and our responsibility is to minimise risk of infection, while accepting that there are still risks. We therefore respectfully ask that you read the following and understand that these measures are in place for everyone's benefit. Every attendee should make their own Health & Safety evaluation in addition to the information in this document.

On registration at the morning of the first day you attend you will be required to show **either:**

- A valid "[Covid Pass](#)" which will be scanned and checked using the government's "Verifier" app at registration (no personal data is stored during this process).
- A paper "Covid Pass" with a valid expiry date or an Immunisation Exemption Certificate.
- If you are exempt or not fully vaccinated by the time of the seminar a valid Test Result (PCR or LFT) will be accepted (no older than 4 days prior to your first training session).
- A 'Double Jab' Immunisation Card / Certificate (second jab to have been received 14 days or more prior to the seminar i.e. 23rd October 2021).

By signing up for the seminar, you will be agreeing to these conditions.

Failure to meet these conditions on the morning of the seminar means that unfortunately you will not be allowed to participate in the event.

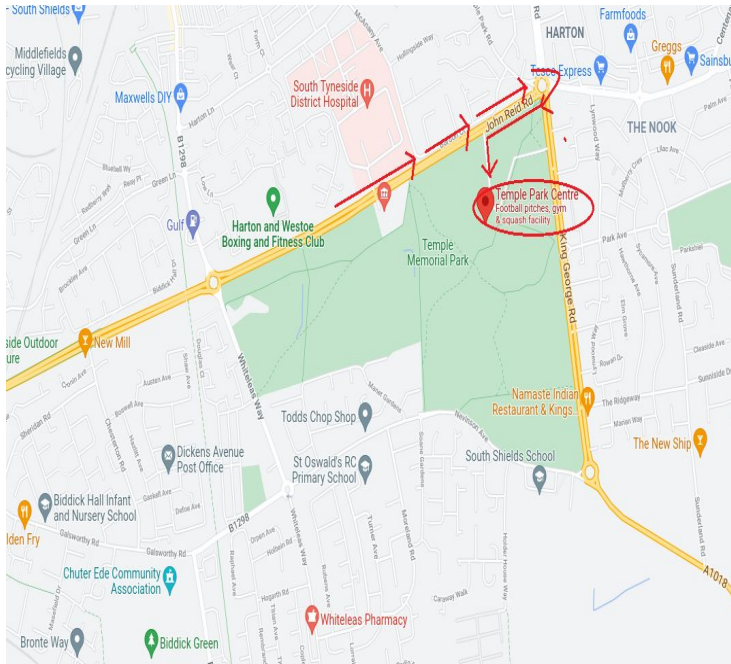

All attendees should understand that changes to Government guidelines, instructions to self-isolate and/or local venue requirements could mean the cancellation of the event at very short notice. The BKA will refund seminar fees should the event be cancelled or issue a credit against future event. **However it will be the responsibility of the members to check that their travel and accommodation costs are refundable as the BKA cannot accept responsibility for these.**

Masks / face-coverings are recommended for use in busy places of the building, such as eating & drinking areas and changing rooms. This is not compulsory but common sense should prevail to respect and safeguard those who are more vulnerable.

During the seminar, the teachers and organisers may request changes to the established training methods to ensure everyone's safety such as training and grading bubbles and use of own weapons only - these will be announced prior to the seminar and published on the BKA website & on the Facebook event page, but are subject to change depending on circumstances.
