

## REPORT TO KENDO BU – DRC Chair

I was asked to step in as interim DRC Chair mid way through the year following the incumbent chair requesting to step down for personal reasons.

Obviously it has been a very abnormal year within the Kendo bu with dojo returning to practice while adhering to restrictions and necessary safe practices. The BKA & Kendo Bu have produced some guidelines and interpretation of the restrictions, updated as appropriate and these have been made available to Dojo leaders and members. I have had no issues reported to me on any aspect of this.

We are required to hold an AGM and this will be via Zoom at 20:00 on Friday 26<sup>th</sup> November. The main business will be to elect a new chair for the Kendo DRC.
