OVERSEAS GRADING FORM

Members wishing to apply for grading events held outside of the UK are required to fill in this form to request confirmation of eligibility in advance of applying to grade.

On completion of this form, the Director of International Affairs can register the candidate with the EKF and issue a Certificate of Eligibility which should be used to support your grading application if required. There is no charge for this.

Please return this fully completed digital form to the Director of International Affairs no later than **one calendar month before** the event's grading entry deadline. Failure to do so may mean that the deadline is missed and the applicant will not be able to grade.
